# Senior Membership Policy

## **Senior Membership**

Senior membership is a discounted membership category that can be granted to a member by a majority vote of the general committee.

Senior membership is only applicable to Ordinary, Intermediate or Weekday memberships.

Members may become eligible for senior membership in the following circumstances:

- a) The member is at least 55 years of age, and
- b) The member is not engaged in full-time employment, and
- c) The member has contributed 25 years of undiscounted membership fees to the category being granted, or
- d) The general committee decides that special circumstances exist that warrant the application of the discount.

Senior Membership entitlements include:

- The same entitlements as Ordinary, Intermediate or Weekday Membership
- A 50% discount of the annual membership fee for that category
- Other fees and levies will still apply, as an example these include affiliation and insurance fees, any special levies approved by the committee, etc.
- Other benefits may be provided; this includes ( for example) incentives offered to members for early payment of fees etc.
- Members wishing to apply for Senior Membership at a higher category can do so by paying a “top-up” fee calculated by the Treasurer.

Senior Membership will cease:

- on cessation of club membership
- on resignation of club membership
- as a decision of a disciplinary subcommittee
- by a majority vote at any Annual or Extraordinary General Meeting
